NORTH TOWNSHIP TRUSTEE

Summer in North Township started early this year.

For us, it was just at the right time to welcome folks back to Wicker Memorial Park.

Word has gotten out about our all-abilities playground that is drawing record crowds. It does my heart good when I see children who couldn't play on traditional playgrounds enjoying this venue. It was a labor of love to bring this project to life.

Attention golfers: I'm hearing the course has never been better. Check it out and use our new electric carts while you're at it.

Music lovers: You know when the sky sets late in the evening, it's time for Wicker Park's Summer Concert Series. The line-up is spectacular.

See you at the park!

LONGTIME DUO KEEPS WICKER PARK HUMMING

Whether the birds are singing or snow is falling, there isn't a day when Julio Merced and Prescott Serna don't look forward to coming to work. The two have been working together for more than 25 years as the primary groundskeeping team at Wicker Memorial Park, tending to everything needed to keep the park humming.

In all, there are nine members of the groundskeeping staff, five full-timers and

four seasonal workers. Serna is foreman of the crew while Merced serves as the grounds supervisor.

They maintain vegetation and trees to have them looking their best. You can also thank Merced and Serna for keeping the restrooms tidy and water flowing throughout the spacious venue, maintaining

groundskeeping equipment and even planting trees.

The two East Chicago natives don't stop there. They sand, stain and varnish picnic tables built on site while always on the alert for what may need attention next.

"This is the job I dreamed of – and am lucky enough to have it," Merced said. "Working outside is what I was born to do. What I love so much about Wicker Memorial Park is getting to do my job among people who visit us here.

"There is joy in every season," he said. "The color on our trees makes fall spectacular. Winter is beautiful. Every season brings residents here to enjoy the park. We do what we do – for them."

Watching the park evolve into what it is today, is a bonus of the job, Serna said.

"It's like Disneyland out here. We even

had a circus on the driving range not that many years ago," he said. "Concerts, parties, camp-outs – we work to make the park look beautiful for every event.

North Township Trustee Adrian A. Santos may be their biggest fan.

"Julio and Prescott are the pillars of Wicker Park," Santos said. "They do such a fantastic job: I know the park is in good hands. We are more than lucky to have them."
